Brazos Abiertos (Open Arms)

Youth with a Mission, Lima Peru

Brazos Abiertos was formed in 2011 by a team of five devoted missionaries with a passion to restore God's vision for families in the slums outside of Lima, Peru by working with an individual approach toward each child and his/her context.

Brazos Abiertos is currently the only ministry reaching more than ten thousand people, the majority of whom live in poor to extremely poor conditions in these slums.

*I can do all this through him
who gives me strength.*
